All Through the Night

Sleep my child and peace attend thee,
All through the night
Guardian angels God will send thee,
All through the night
Soft the drowsy hours are creeping,
Hill and dale in slumber sleeping
I my loved ones' watch am keeping,
All through the night

Angels watching ever round thee
All through the night
In thy slumbers close surround thee
All through the night
They will of all fears disarm thee,
No forebodings should alarm thee,
They will let no peril harm thee
All through the night.

With a Little Help From My Friends

What would you think if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
Mm, I get by with a little help from my friends
Mm, gonna try with a little help from my friends

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?

No, I get by with a little help from my friends
Mm, get by with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody?

I need somebody to love
Could it be anybody?
I want somebody to love

Oh, I get by with a little help from my friends
Mm, I get by with a little help from my friends
Mm, gonna try with a little help from my friends
